President's Message

Howdy members!

Our 2008 Poker Ride was a huge success! A huge thanks to Ceila Shannahan for Chairing the Poker Ride Committee for the third year in a row! I'd also like to thank the committee members Sherry, Beth, Sony, and Carolynn for all their hard work. They have also have been committee members the last three years. We couldn't have pulled it off without their help.

Thanks again to all our Trail Bosses - Leanne, Jo, Carolyn, Clarence, Angela, George & George, Larry, Kimberly, Terri, Karina, Jeffi, Carol & Sue who kept the riders safe and on course throughout the ride. Thanks to Dr. Corine Selders for volunteering her

services throughout this event.

Thanks to Sherry, Mary, Sony, Marilyn, Lily, Anita and Jackie for handling registration and Richard for all the set-up, teardown & clean-up duties. Thanks to Dean for supplying and preparing all the playing cards for the event and Doug for being our gracious Dealer who patiently sorted through all the participants cards to determine this year's winners. Dale & Marla once again delivered a fantastic BBQ lunch that everyone will remember.

Thanks to everyone who attended! We showed our

community what the Saddle Club is all about! Let's not forget about all the fantastic donations we received from all the feed stores, restaurants, and business establishments to make this years raffle & silent auction a huge success! Be sure to thank them for all their support the next time you see them.

Hope to see everyone who can attend our next club meeting in June 11th at the Rotunda.

See ya on the trail!

Randy

SAVE GAS - RIDE A HORSE!

Author Unknown

HONEST HARRY'S NEW & USED HORSES

I can save you money on gas!

All right folks, step right up! You don't want to pay \$4.69 for gas, no problem. I have the perfect vehicle for you. Needs no gas, no oil, or even a battery, just a little grass and water will do these animals fine. Now everyone has different needs, so choose from the following models:

1. Trail Horse - Your average run around town animal. Has the energy to get where you are going, the brain to find the best way to go, big enough to carry the normal sized American.
2. The Arabian - perfect for those who travel long distances in a day and try to multi task while driving. Although the Arabian may not go to your home or office with out specific instruction, it WILL go somewhere.
3. The Draft - Calling all soccer moms. This big guy can carry the whole team, their gear and snacks. Just like the big machines, this guy will require more fuel, and his shoes will be more expensive than the compact model.
4. The Western Pleasure - The right car for the high end white collar workers. This animal works harder and requires more special knowledge so only the best can figure this out. Be sure to take your cell phone. You won't be stuck in traffic, you just won't be getting anywhere fast.
5. The Parelli - Salesmen, stay at home moms, and high school kids will all enjoy this dream. You can load him down with flapping Wal-mart bags, ask him to walk in places a horse won't fit, and you can dance with him as you listen to the latest tunes.
6. The Ranch - The most dependable animal available. He will go wherever you ask him to, at whatever speed is appropriate. You can tie him to the stop sign and he will be there when you get back. Best of all, this model has been specially engineered to be able to go without water for days and stay fat and slick by eating sagebrush and dead prairie grass.

Of course all models are available in base colors (sorrel, bay, black) Special order colors are available (dun, gray, palomino) and for an additional fee, custom paint jobs are also available (overo, tobiano, blanket, leopard).

No horse is sold with a warranty, however maintenance plans are available in the event brakes, steering, or accelerator fail.
